MANAGER'S RESERVE LIST

The whiskies below have been hand selected by our manager due to their excellence and limited availability. Due to this some may be out of stock as they are highly allocated. We apologize for any out of stock items.

Whiskey 1 ½ oz 2 oz

Journeyman Distillery \$17.00 \$20.00
Corsets, Whips and Whiskey

Corsets, Whips and Whiskey is the barrel-strength version of Journeyman Distillery's wheat whiskey. From the barrel it flows directly into the bottle, unmolested by the addition of water. This whiskey has two sides. It starts out slightly sweet with notes of toffee and caramel that caress the tongue. Then it reveals its more risqué side, finishing with a punch of warming alcohol unbridled by water and a touch of spice. **120.6 Proof**

Elijah Craig \$18.00 \$21.00
Barrel Proof

Named after the father of Bourbon Rev. Elijah Craig this limited release Small Batch, twelve-year-old bourbon is bottled at barrel proof and without chill filtering, preserving the natural flavors produced during the aging process. At full Barrel Proof, you can enjoy the Bourbon much the same way their Master Distiller does when he samples straight from the barrel or, if you choose, add water to reduce the proof to your liking. **136 Proof**

Four Roses Single Barrel "BS" \$19.00 \$22.00
"Barrel Strength"

From time to time, a limited number of exceptionally smooth and complex barrels from any or all of their 10 Bourbon recipes present themselves to their Master Distiller. Each barrel is aged between 9 and 11 years. They then invite their customers to a private tasting and selection of their favorite barrels. Once chosen, each selection is bottled and private labeled as a non-chill filtered Single Barrel at Barrel Strength in limited quantities of approximately 150 – 200 bottles. **115.8 Proof**

Rock Hill Farms \$21.00 \$24.00
Single Barrel Bourbon

Rock Hill Farms is another of Buffalo Trace's fine single barrel bourbons, sharing a mash bill with Blanton's, Elmer T. Lee, Ancient Age, and Hancock's Reserve. It is named for a stretch of farmland along the Kentucky River. Aroma: Corn, spice, and sweets, including honey and baked goods. The entire experience is wrapped in aged oak. It's a spicy aroma, rich and decadent. Flavor: Sweet caramel and honey on the tip of the tongue. Ripe pears and fruits mingle on the middle of the tasting, while the back of the tongue gets a brown sugar, maple syrup, and black pepper sensation. The caramel and vanilla remain, and are missed with heavier oak and bitter tannins from aged wood on the tail. **100 Proof**

High West Distillery \$24.00 \$27.00
Yippee Ki-Yay

High West Yippee Ki-Yay is a marriage of sourced rye whiskies finished in ex-vermouth oak barrels and ex-syrah wine barrels. One is a 2-year rye sourced from MGP/LDI and made with a mash bill of 95% rye and 5% barley malt; while the other is sourced from Barton Distillery and made from a mash bill of 53% rye and 37% corn. The duo makes up their Double Rye before the finishing process. **92 Proof**

Glenmorangie \$33.00 \$36.00
Milsean

Glenmorangie Milsean (pronounced "meel-shawn") is the seventh special release from the distillery's Private Edition collection. Scottish Gaelic for "sweet things," this single malt benefits from double-maturation in ex-bourbon casks and re-toasted barrels that previously aged red wine from Portugal's Douro region. Bottled at 46% ABV, it is non-chill-filtered and carries no age statement. **92 Proof**
